

INTRODUCING Tiet x Change

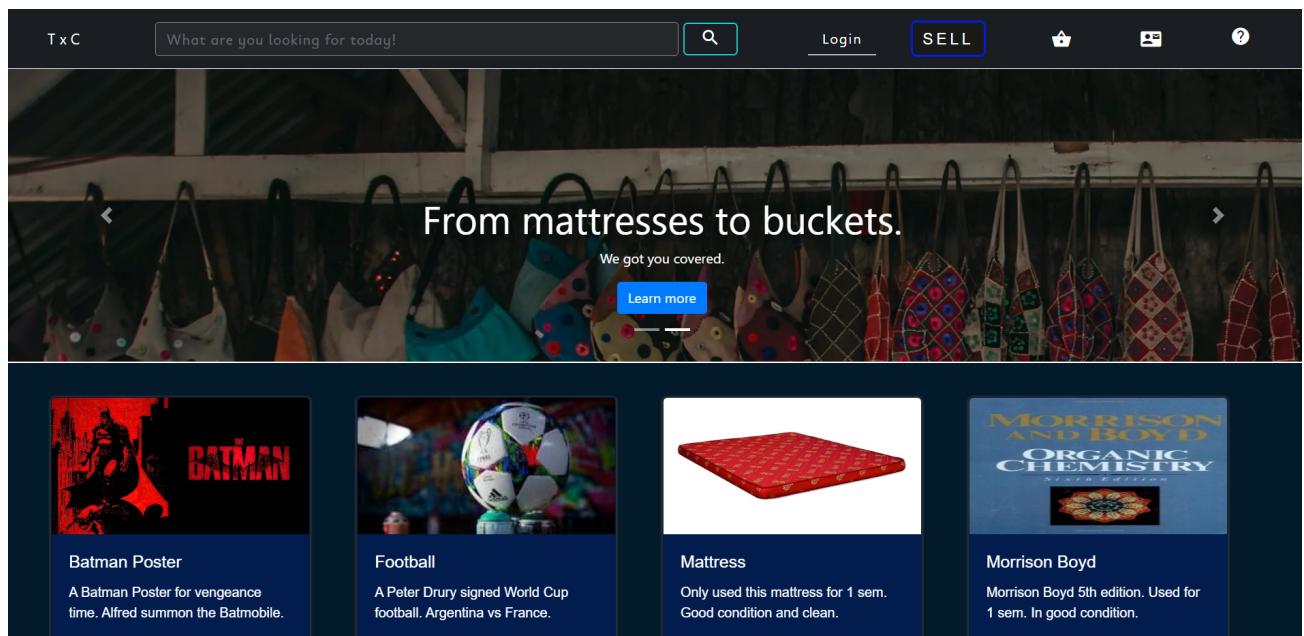

I'm super stoked to have you here! I hope that this website helps you find the right match (for your product 😊)

Here's how you can use Tiet x Change:

1. Head over to the Home Page

Here's the link to get you started (<https://tiet-xchange.web.app>).

On the Home Page, you'll see some of the items that have been listed by your peers. (Older items have been given preference to help clear them out)

I would love to hear your feedback.

It's a solo endeavor at the moment and it took some time to bring this concept to life. And I completely understand that this is far from perfect. But with your help and feedback, we'll try to enhance the experience.

Have fun!
